

# FHA STREAMLINE REFINANCE

# STREAMLINE A HUD LOAN

Streamlining your FHA mortgage is particular kind of FHA loan refinancing plan. To qualify, your FHA mortgage must meet certain requirements:

- Your FHA mortgage must not be delinquent.
- Your FHA mortgage must also be currently insured by the FHA.
- Your FHA Streamline Refinance must lower your payments and monthly principal.

Streamlining refers to a reduction in the amount of paperwork needed to accomplish the refinancing.
